raids - against natives being lodged
 within barracks - at least those
 where the principal Magazine in
 the Colony is placed - You are
 quite aware - what a small
 basis gives cause for a huge
 outcry & misrepresentation -
 already in Edwards Cross there is
 an untrue statement - with reference
 to the present custody of the
 Magazine - there is not the guard
 as applied for - but there is more
 than 1 man & that not the man
 with the stick" whom the papers
 say is the sole custodian of the
 Magazine - You can afford
 to despise Cross

attacks - but may not care
 to provoke them - where no
 matter of conscience - or policy
 is concerned - therefore I do
 bring before your notice - what I
 have heard & seen -

Mr. Baker - or Dr. Pollen
 could give you information about
 the building at Greenmount Bay
 of worth while -

I am Dear Sir
 Yours very faithfully
 W. St Clair Towers Tisdall

Hon. D. McLean
