Will you now assist me in my
desire to obtain some sheep
cheaply on any terms
In your immense flock there
must be every year a number
of inferior animals that a
manager would cull out and
be glad to get rid of at any
price. He would almost destroy
them rather than they remain
in the flock. Those of young or
not too old would answer my
purpose.

You are aware I still own
and hold the documents of title
for 40 acres of land adjoining
the land I sold and conveyed
to you. I am desirous of making
this over to you. Trusting you
will favour me with a favorable
reply
