very material to our case.

I dont wish you to mention to the Stoves that I have complained of their conduct because it would be productive of no good result as far as concerns our present enquiry, but a hint coming from yourself would I have no doubt be highly beneficial. Trusting you may enjoy your trip which must be wanted after your arduous taking of the sessions.

Believe me
faithfully yours

P.A. Buckley.

The Hon. D. McLean,
Native Minister.
