My dear Sir

I am very glad to hear that the papers forwarded to you have proved of interest & I have supplemented them by sending a copy of a speech which I delivered at Napier last month. I need not tell you that when you carry out your intention mentioned in your letter of 14 Oct. respecting New Zealand I shall be very pleased to meet you again. With regard to your request about the Mares Blue harness & saddle, Mr. Mares is very satisfied with the police harness harness cut fairly; but the saddle has not come up to what I expected - in fact we can obtain in Wellington a superior article at less price - I find that my agents here paid the freight for Mares & Mares
