My dear Sir  
Allow me to congratulate  
you on being once more at  
the head of Native Affairs. -  
My son (Charles) has now located  
himself with a flock of sheep,  
and built a house at Waitotara  
on a portion of the same Block  
viz 300 acres over which I have  
the presumptive right of purchase,  
but as this Block is rather small  
for two families, I applied  
to the Govt. about 2 Months  
ago.
