Le Hapuku and
Hori Miania, have not yet arrived
according to promise; and the natives

tell me whether I can go to Maniaki
to Mr. Park's Office to make the

the mapping at the Government & should prefer it
if Mr. Park would lead me
trials, whether they are the
property of Government or not. I do mean my troubles; you

I hope that when you come
to the Waikato again I
shall have a house for you to
come to and be able to see
you comfortably, with kind
regards from my wife and self
to Mrs. McLean & yourself
I remain very truly
