Dear Sir Donald:

I was at Parerama
on Friday and got
your business satisfactorily
settled, although I
had to advance a
little on the sum you
named. *Amia*
commenced with a
demand of £ 200, and
in the end I agreed
to pay £ 30 on the

execution of the deed
by Hinia, Pata and
Winhama, and I made
a small payment in
advance to bind the
bargain.

I have since received
the lease from Mr
John Stevens, and at
the Wanganui meeting,
on the 28th inst, I
shall get the execution
completed, either
before or soon after,
as required by the Act.

I am very glad to
see that you have come
to come with the
Opposition. I hope
the business of the
Country will now be
pushed on, without
any further hindrance.

Yours
