My second selection Agricultural Land -
 2. III containing 231 has the same question
 they will not allow I wish to ask you
 me to take it containing is if you know
 71 acres more than I whether of S Cooper's
 are entitled to. It is to be filled up
 the section is reasonable but then I think it is
 I can take 160 acres of mud we asking
 out of it but help for in, but you might
 it being his and help me, if they asked
 unless for any thing I to move another 100
 thought I should have for
 the whole. I conclude
 we are entitled to

Yours very truly
 Edmund Tuke
