been sold to Europeans  
those of the latter who may  
be disappointed will be  
able to obtain lands from  
the Government Commissioner  
else, and the natives left  
to themselves.

Mr. Bonyer a lawyer came  
to me the other day to  
say there was a warrant  
against you for a small  
debt which you left in  
settle. If it be so and

you authorize me I will  
pay it for you in the  
next time, as such a  
thing transacting in that  
State and other would look  
ill in a Government officer.

If you can pick up  
any shells or curiosities either  
on the sea shore or inland  
or if you can purchase  
any belonging to the natives  
only send some them by  
the Victoria a bagged &  
I should feel much obliged.

The Governor will not be  
be down at Taranaki as  
he intended in consequence  
of the stoppage of the N.Z.  
Co. - but when he does  
visit you and you have  
anything to send pray  
give it to Mr Hamilton  
who will also do anything  
you require for yourself which  
I would do here I present  
I remain  
your truly
