Carton Wednesday.  
Laudis the Bailiff of the  
Court is I suspect settled  
somewhere in the country, &  
it may be necessary to have  
another Bailiff. Will you kindly  
enquire into this, and select  
some proper person.

I have just finished  
showing my harvest is now  
nearly all safely reaped.  
Unusually hot weather & the  
pasture looking very well. I wish  
not much we may have  
abundant rains. I am glad  
to see your land purchases  
going
