Thames 17. Feb 1875

My dear Sir Donald.

I got here late last night & found that the funeral is not to take place till 4 P.M. on Saturday - a general hope is expressed that you may therefore be able to go - or if not that you will send the kua to take the people up on Saturday morning & take them back on Saturday night.

I return Mackays Report in case you may want it before I see you again.

Yours faithfully  
 W. Hall
