Wellington - Jan 30. 71.
Dear Madam
You have heard of poor
Dexter death. There are sundry
applications for his appointment
but we will write to you about
them. I have had a personal
application from Mr. Bone the
holder in land of fact - now says
to the A. Justice - If you can
assist in selecting him I should
be pleased - I know he talks
like a man of business & is
at Canterbury - there is in
himself a fullness of words
of Education - and has sufficient
