Try to mention to Pelichet that
I owe Sutherland for the use of his
boat for the following days July 13
16 17 18 24 25 26 & 27 I sleep at 5/ a
day will you mention it to him (Pelichet)
and get it settled Sutherland cannot
take it in his own name but Lett
will do - don't say anything to
Sutherland about it but give him
the money which Pelichet can
get from Taylor & Watt by making
out a charge against the Coy
