 To the Honble G. McLean
 Sir
 I trust you will pardon
 me for the liberty I am taking in
 addressing you upon the present oc-
 casion and my reason for doing so
 is briefly told in the following statement
 when the House of Representatives
 was sitting last year Major Jackson
 M.P. presented a petition of mine
 before the House praying for compensation
 for losses sustained by me in the War
 thro' the Native War in the year 63
 as that was the last I heard of the said
 petition
 I have written Major Jackson asking
 him to refer the said petition to the
 Public Petitions Committee, and trust
 you will have the kindness to support

He said Justice. You are aware
of heavy losses sustained by me
in the year of 60 & 61. Those I do
not claim compensation for
as I understand the jurisdiction
of the Court only extends to 63
I only ask for what is justly
due to me and which every other
settler in the Wairarapa get except
myself. and I do not see why I
should be made an exception though
been unavoidable absent from the Province
at the time the Compensation Court
was sitting. I am now in a most
helpless condition having lost my sight
and if your Hon^{le} House would grant
what is justly due to me I might
be able to go to Sydney or Melbourne

where I could obtain proper medical
advice - and by the blessing of
God get my sight
Please pardon me for troubling
you - but as the matter is of
importance to me I trust you
will see justice done to me
and you will be conferring an ever
lasting favor upon an unfortunate
who is not able to help himself
in the circumstances over which
he has no control
I have the honor to
remain, ^{to you} with much respect
Your Obed Servant
