Napier July 20th 1868

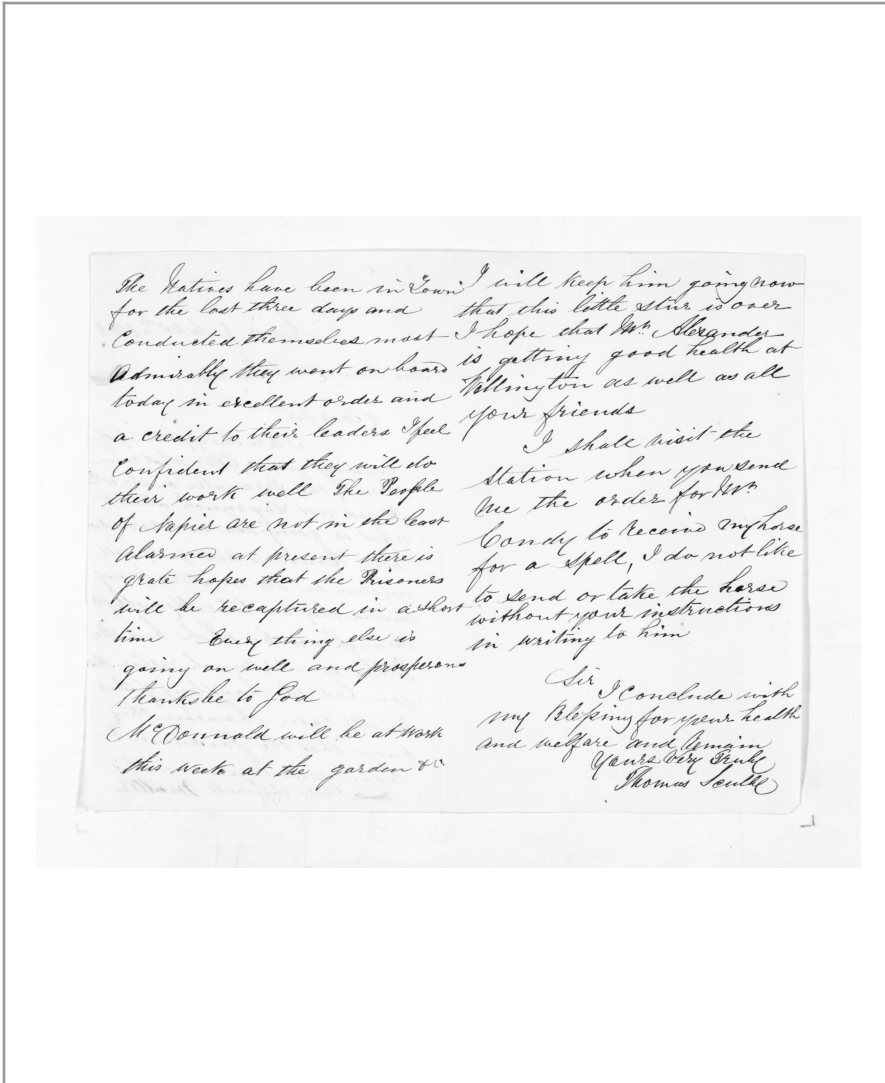

His Honor V. McLean Esq.

Dear Sir

I take this opportunity of sending you a letter that came here by the Tararua on the 18th. I need not say much about what is going ^{on} here as I know that Your Honor is kept pretty well inform on all matters, to my mind they are tolerably well got through on the whole but the Public would much rather that you had the handling of this knotty case. however they know that the Government have your Counsel in this ~~one~~ very difficult matter

The ratings have been in town I will keep him going now
 for the last three days and that this little stir is over
 conducted themselves most - I hope that Mr. Alexander
 Admirably they went on board is getting good health at
 today in excellent order and Wellington as well as all
 a credit to their leaders I feel your friends
 Confident that they will do I shall visit the
 their work well The People station when you send
 of Napier are not in the least One the order for Mr.
 alarmed at present there is Candy to receive my horse
 great hopes that the business for a spell, I do not like
 will be recaptured in a short to send or take the horse
 time Every thing else is without your instructions
 going on well and prosperous in writing to him
 Thanks be to God
 Sir I conclude with
 My best wishes for your health
 and welfare and remain
 Yours very truly
 Thomas Scully

Mr. Cornwall will be at work
 this week at the garden &c
