Sir D. McLean
My dear Sir

I am informed
that you wish to dispose
of your "Akitia" property
either by sale or leasehold
should such be the case
you would greatly favour me
by sending the full particulars
if giving me the offer

I am at present the
manager of Dr. S. Bell's station
I was about to join him but he only
offers a fourth share of his stock
him at a very high rate of £26,000
