being made for it
General Cameron
authorized the sending
of a detachment to
Waipaoamate provided
that the difference
of the expence of having
a detachment there
instead of Napier
should be borne
by the Colonial
and not by the
Imperial Govt

The province has
paid the above sum
for carriage extra
allowances called
field allowance,
and all other
expences incident
to the maintainance
of the detachment
in excess of the
Imperial pay
and rations

being made for it General Cameron authorized the sending of a detachment to Waipaoamate provided that the difference of the expence of having a detachment there instead of Napier should be borne by the Colonial and not. by the Imperial Govt.

The province has paid the above sum for carriage extra allowances called field allowance, and all other expences incident to the maintainance of the detachment in excess of the Imperial pay and rations.

A sum of £900 or £1000 has also been expended in excess of estimates for Defence buildings the late Govt. refunded about £4000 for this purpose and it was then supposed that this sum would be sufficient, the expense of timber labor and cartage and necessary alterations required by the officer commanding the civil forces has occasioned the additional expenditure of £900 or £1000.

It is submitted that charges of this nature are not borne by any other province and that Hawkes Bay should not be

A sum of £900 or £1000 has also been expended in excess of estimates for Defence buildings the late Govt. refunded about £4000 for this purpose and it was then supposed that this sum would be sufficient, the expense of timber labor and cartage and necessary alterations required by the officer commanding the civil forces has occasioned the additional expenditure of £900 or £1000.

placed in a different
position.

Major Atkinson
agrees in this view
of the position and
all that we require
from the Honble Mr.
Weld is an assurance
that the amounts
will be refunded
when the particulars
~~and~~
of expenditure
are furnished to
the Govt.

Donald McLean

placed in a different position.

Major Atkinson agrees in this view of the question and all that we require from the Honble. Mr. Weld is an assurance that the amounts will be refunded when the particulars of expenditure are furnished to the Govt.

Donald McLean.
