Monday 27 Sept. 1858 [44]
My Dear Ma
I wrote to Mr
Richard and you
this morning, regarding
Dr Press' office in favor
of Dr Sealy of this place. But
as he has neither come nor
sent to town on the subject
I presume he does not care
for it so please regard my
application as annulled, and
be so good as to say the same
D. McLean Esq
