Geo Moore
 Wellington Feb 11/51
 Sir. Mc'Lean

I send as you request a
 Cask of Bottled Ale, & hope that
 every Bottle may give you renewed strength
 to counsel & debate the great land question
 with the Hairy-bogies — I hear that
 you are getting on swimmingly — I trust you
 too a third local paper by which you will
 see that the Faction & Government parties
 have been exchanging broadsides — If you
 can put anything in Auckland way you
 will be doing both me & him a service,
 I have visited a great stake up at Akmeria
 & I much fear shall be off a good
 loss at it, the better Auckland makes out
 the better chance for me to get fine
 Remains de McLean
 Yrs. very truly
 George Moore
