

2 pages written by Jane Bolland to Sir Donald McLean

2/12/29
My dear Sir -
I was quite concerned after you left
this evening that I had not asked you to take a cup
of tea. I had properly expected that you would stay to
our meal at night & we did not have any ^{tea} ourselves
that it entirely slipped my memory. I hope you did
not think me very inhospitable but I had really no
idea of your leaving
I am dear Sir
Yours sincerely
J. Bolland
