I could not tell Hapū
~~that~~ what was the mijial boundary
 & that he was wrong in trying to
 exceed it. He was violent, obstinate
 & impracticable, & stated his
 intention of referring the matter to
 you, in w^h state it rests at
 present.

I have the honour to
 enclose a tracing of Mr & G
 of his survey of Mr Pelichet's
 work, & showing ^(approximate) a dotted line
 the stated boundary claimed
 by the Hapū.

~~Therefore~~ I state this opportunity
 saying that I have found the
 protest kept from the assistance
 of Mr & G in this & other matters
 in which they have been recently
 engaged, & I trust that if they had
