I imagine no difficulty -  
 the matter - it is a branch  
 road & common sense & aid  
 of approved Mr. Cruickshank  
 Mr. Grant's (study) partner &  
 Mr. Cairns would superintend  
 the work - the road is very  
 much used & will continue  
 to be so when the main  
 line is finished -  
 Mr. Russell will I believe see  
 to about this while he  
 is at Napier -

I am glad the main line thro' Manawatu  
 is being pushed on with. I am inclined  
 to think little Michael's service can very  
 well be dispensed with & that I should  
 like the work better without him ~~the~~ <sup>with</sup>  
 him. Whether I am going over my country  
 the other way I don't know, but by taking a  
 certain line 5 or 6 miles I could perhaps

be saved. It has since been  
pointed out to J. Campbell  
who is settling the line  
accordingly -

There is no news up here  
always  
very truly yours

If you get any more orders  
for weather to get please  
let Richardson know. he will  
provide some I want to  
get rid of - yours
