To Te Moataitara
 the one who arranges our land.

Friend salutations. you are the father of the orphan, of
 the poor. So salutations to you. A word to you I want some
 acres of land at Wainui, because you & I bought Te Whairangi.
 Lauhine, Pakitahi I set apart for myself. After this Te Pōpōka
 & I know could it ^{seriously} ~~be~~ to you. Now that I have come back
 to this home my land is again my loss. For that reason you must
 return some of these acres ~~to me~~ at Te Wainui ~~to me~~ or Pakitahi.
 If you can put this right ~~to~~ write & tell me what it is right, or if
 it is wrong write & tell me what it is wrong. My land that was sold
 to you by Te Pōpōka has been made crown land by us, or at least by
 all of us & by you too. When the thing went to you you consented.

From your affectionate friend & servant in the Lord
 Te Ati Awa
